A Breakthrough in Technology for Practical Mysticism

THE ANUNNAKI TAROT **Consulting the Babylonian Oracle** **of Cosmic Wisdom**

by Joshua Free and Kyra Kaos

Enter the sacred temple of Babylon and discover secret knowledge known only to the original Seers of Marduk. Here is the first guidebook to concisely align tarot symbolism with a comprehensive review of Anunnaki archetypes as they appear in ancient Babylonian Mardukite tradition. Arcane mysteries are revealed in this revolutionary new tool of personal exploration!

Ancient archetypes of civilization actually originate in Mesopotamia—so, rather than take arbitrary themes and impose tarot symbolism, Joshua Free's extensive background in esoteric knowledge and Anunnaki traditions allows him to bridge these two aspects in an incredible new way, both historically authentic and mystically valid as a practical tool of modern “Mardukite neo-Babylonian spirituality.”

TOWER OF BABYLON 6-CARD SPREAD

- 1.) The original state, position, plans or starting point; “consciousness.”
- 2.) The past or supportive influences and experiences to draw from; “substance.”
- 3.) The future or required movement/direction of resource to establish firm foundations; “action.”
- 4.) The view from the outside; external opinions, feelings or assistance; influence from other people.
- 5.) The view from the inside; what is necessary to complete the project; or else, how to present yourself.
- 6.) The final state or project condition based on the current supporting or contributory influential aspects.

— ETEMENANKI —

The Tower of Babylon

“The Builder's 6-Card Spread”

As with the Gates and Walls of Babylon (see “*Anunnaki Tarot*”), interconnected sequences of clay bricks are used to build the famous ziggurat pyramid of Babylon—the *E.Temen.-An.Ki* or “Tower of Babel.” Obviously many more bricks are required to build a tower than a section of wall or gate—and obviously the integrity of the relationship between the bricks and building levels are even more critical if the tower is to stand—and goals are to be accomplished.

As such, the *E.Temen.An.Ki Spread* is most useful for inquiries regarding specific plans, projects and goals. The foundation cards (1–3) represent those factors closest to you, other immediate influences and your own efforts. The middle tier (4–5) concerns visible developments and outside or emerging external factors. The final outcome (6) is demonstrated by the apex display of the tower.

Gatekeepers Guide to the Basic Mardukite Materials

Research Volumes

Grimoires & Handbooks

Spellbooks & Pocket Editions

When the *Mardukite Research Organization* released its “Mardukite Core” materials to the underground in 2009, it became abundantly clear that our brand of *Mesopotamian Neopaganism* attracted significant interest due to its connection to the “*Necronomicon*” paradigm of quasi-Babylonian “magick” and traditions. Although entirely appropriate for New Age esoterica, many seekers preferred to obtain their “Mardukite Core” research library in alternative formats that did not include “*Necronomicon*” title semantics, which were first distributed to the underground in 2010 under various titles.

In keeping consistency and coherency with all newly released “Mardukite Core” editions from the *Joshua Free Publishing Imprint*, we have maintained all original “*Liber*” designations for materials cataloged by *Mardukite Research Organization*. We also produce simultaneous editions of materials using appropriate alternative titles.

The image (at left) displays most of the titles featured in the current *2020 Annual Review* from the *Joshua Free Publishing Imprint* along with *libros* content designations to assist the seeker in distinguishing which materials are duplicated in various simultaneous editions.

Unlock Human Potential

by Joshua Free; Foreword by Reed Penn

There is perhaps no greater enigmatic and potentially powerful aspect of Sumerian tradition and Babylonian cuneiform literature from ancient Mesopotamia than the infamous “Tablet of Destinies”—or “Tablets of Destiny.”

Here is the first ever public demonstration of secret knowledge and wisdom drawn from the legendary cuneiform relics, far surpassing any previous academic interpretation of ancient artifacts available. Here is the result of one man's quest for the “magic” behind the “magic”—a rediscovery of the original system of perfecting the Human Condition on a Pathway which leads to Infinity. Here is a new map on which to chart the future spiritual evolution of all humanity! Our contemporaries in this field only translate and interpret the “language” of these ancient mysteries, but with little true Self-Honest understanding of what these “words” and “symbols” originally represented to the author that first set them down. But now, this has changed!

“Tablets of Destiny: Using Ancient Wisdom to Unlock Human Potential,” maps the highest route

to esoteric knowledge—expertly bridging materials from the “Mardukite Research Library” with the wisdom and latest clarity revealed by the advanced “NexGen Systemology” New Thought division of the “Mardukite Research Organization.” This much anticipated foundation work and public debut of “Mardukite Systemology” provides a concise and accessible guide to the fundamentals of “cosmic ordering” and the “systematization” of the Human Condition, described on cuneiform tablets as “control of the Divine ME”—or else, the “Arts of Civilization”—the supreme knowledge and wisdom that commands all true authority of godhood in the heavens and sovereignty on earth.

Access to this amazing potential is now available to all!

Realize New Human Potential for Spiritual Evolution!

CRYSTAL CLEAR The Self-Actualization Manual & Guide to Total Awareness

by Joshua Free; Foreword by Kyra Kaos

Learn how to free the Self from lower levels of personal fragmentation and programming; to apply Will-Intention to the fullest extent from outside lower "systems"; and live without regard of former fragmentation and erroneous programming concerning personal ability and responsibility accumulated during this lifetime.

The way out is always the way through; not avoidance, neglect or indifference—which only mark a path to ignorance.

When a Seeker attains actualized Awareness outside of physical existence, therein alone lies the true personality of the Spirit, the individuated "I" that is Self. This is the state of Self free of worldly fragmentation. The Seeker has extended the reach of Awareness and the ability (and responsibility) of Self-direction from the point of WILL as Cause in the Universe, rising above lower planes of Effect and Desire.

Every technique and Self-Processing method contained within Crystal Clear targets personal management of emotion, memory and thought, assisting Seeker's to regain Self-control of these

systems. We are not using Systemology to condition ourselves into some false sense of grandeur; we are using it to systematically remove fragmentation that undeniably reveals the "Unconditioned Self", the very Alpha state of our true spiritual Beingness.

There is no higher purpose or demonstration of the "Great Work" available.

This is the most important thing an individual can be doing right now for themselves, for family, for society, for all Life on planet Earth—and to every sphere of influence and existence that we can extend our reach in Self-Honesty to Infinity.
